

THE STRAITS TIMES

April 26, 2024

To whom it may concern,

I have had the pleasure of working with Chan Xue Li from August 2023 through till April 2024 in her role as a developer intern for our team within The Straits Times newsroom.

Xue Li has proven to be a dedicated intern. She learned our development workflow using Svelte, helped with publishing our regular weekly projects such as our dengue tracker and worked on producing our food content dashboard, among other similar tasks.

She is able to take on tasks assigned and complete them on deadline. She works well with other members of the team and is a wonderful collaborator.

Sincerely,

Rebecca Pazos
